

Dear Parents and Carers

Thank you for your on going support with Google Classroom and the daily tasks that have been set. As our pupils are now remote working and reliant on the Internet ,I am sending you some useful information about helping them to use it responsibly and safely.

All three websites are recommended and give practical advice to parents and easy to follow technical guides:

I hope you find this information useful and do not hesitate in contacting the school if you need further advice.

Best regards,

Mr Christopher Daw – Online Safety Champion/Head of Year 6
