Logging in to online resources.

We use various websites and learning resources in school that your child will find helpful while learning at home in the coming weeks.

As far as possible, I have listed the login username and password convention to help your child log in to these sites. They should also have their usernames and passwords written in their planners.

Google Classroom
Username: Year of entry to AMS Surname First 3 letters of first name @allenbourn.co.uk (for example 19SmithBob@allenbourn.co.uk)
Password: usual password for logging on to a computer in IT lessons

Accelerated Reader
You must the following link to access Accelerated Reader - https://ukhosted36.renlearn.co.uk/2236745/
Username: First initial and first 4 letters of surname (**jsmit**)
Password: same as school network password

Mathletics
Username: 2 or 3 letters – followed by some numbers
Password: As in your diary

Show My Homework
Your login will be either your email or your network login followed by your password.

If your child still cannot access these sites or for password reset, please send an email to:
trevell@allenbourn.dorset.sch.uk

Emails will be answered as soon as possible between the hours of 9am - 3:30pm Monday – Thursday.
