

18<sup>th</sup> January 2023

Dear Parent/Carer

We are delighted to be able to invite some of our pupils to participate in some small-group sessions to support their mathematics learning and ensure they are fully prepared for their national examinations in May.

These sessions will take place **on a Wednesday after school, starting on 25<sup>th</sup> January 2023 and running until 3<sup>rd</sup> May 2023** totalling a number of 10 sessions. There will be no sessions on weeks commencing 20<sup>th</sup> and 27<sup>th</sup> February due to Parent evening sessions.

At the end of the school day, children will collect their belongings and go to room 1.60 at 3:05pm, where they will be offered a drink and biscuit. From here, they will be collected by 3:15pm by their teacher.

At 4.15 pm, children will be escorted to the school office to be collected. If you would like your child to participate in the small group sessions, **please complete the form on ParentMail by Friday 20<sup>th</sup> January 2023.**

As always, thank you for your support.

Yours sincerely

**Mr C. Hickson**  
Mathematics Lead/Head of Year 8
