

Allenbourn Middle School
HARVEST FOOD BANK COLLECTION
Thursday 21st to Friday 29th September 2023

Dear Parents/Guardians

In our whole school assembly on Wednesday 20th September we will be sharing details with children of our **annual food collection to support the Wimborne Foodbank**. We would be very grateful to receive donations of non-perishable food items, which will be used to provide emergency support to local families who find themselves requiring some extra help. The stock at the Foodbank is incredibly low following a very busy summer, so any support would be gratefully received.

Items can be brought into school from Thursday 21st - Friday 29th September 2023.

Please see the information below for a list of suggested items for donation. We ask that there be no perishable goods on this occasion. All **donations should be delivered by our children to their house shopping trolley at the start of the day**. Donations can also be delivered to the school office.

This is a valuable opportunity for our school community to show our care and consideration for others. We will deliver all donations to the foodbank in the week beginning 2nd October.

Thank you for your help and support.

Yours faithfully

Mr M. Legge
Headteacher
