Please ensure your child is in school every day and has had a good night's sleep and breakfast.

It is important that your child arrives in school by 8.40am as we have warm up activities before testing starts. Pupils should bring the following items with them: a healthy snack for break, two handwriting pens, two sharp pencils, a ruler, a rubber and a sharpener.

If your child is unwell during SATs week, it is vital that you contact the school as soon as possible so that alternative arrangements can be made.

Concessions have been arranged for all pupils who qualify to receive support during the tests. The guidelines for concessions are very strict and all eligible pupils have been catered for appropriately. Rest assured that your child

will have been spoken to soon by his/her English and maths teachers about any support granted for the tests. Should you have any queries, please contact your child's tutor or English/maths set teacher in the first instance.

To celebrate the end of the tests, a carousel of activities has been planned for lessons 1 to 4 on Friday 17th. Pupils should come to school wearing their PE kit. Weather permitting, we hope to have a picnic on the field at lunchtime followed by an ice lolly. We ask that pupils bring/purchase their lunch and a rug to sit on. We will end the week with a wide range of acts taking part in Year 6's Got Talent.

If you have any questions about the week, please do not hesitate to contact your son/daughter's form tutor.

Yours sincerely

Mrs S Prout
Acting Head of Year 6
