7th February 2025

Dear Parent/Carer

I am delighted to be able to share our Ofsted Inspection Report with you following our inspection on 14th and 15th January 2025. The report will be published on our school website and the Ofsted website shortly.

We are incredibly proud of the children for the pride that they demonstrated for their school during this inspection process. They have worked so very hard to ensure that our school is a place that our community can be proud of and they should be congratulated for their superb attitudes to learning and exemplary conduct throughout our inspection.

Our report reflects our school's journey of continuous improvement and whilst there are still things to improve on, as in all schools, the Ofsted inspection process is both rigorous and robust. To be recognised as a school where both Behaviour and Attitudes and Personal Development are Outstanding is a significant achievement and something that very few schools achieve. Indeed, this inspection report places our school as one of the strongest Middle schools both regionally and nationally.

We are delighted that inspectors have recognised that, "Allenbourn Middle School is ambitious for pupils to achieve highly and develop their individual character". Inspectors also note the children's, "exceptionally positive attitudes towards their learning". As you will know we are very proud of our shared culture and ethos across our school and this was a feature of inspectors findings as they report, "The school's 'Rights Respecting' ethos means that pupils show a high level of courtesy towards each other and adults" and "Pupils demonstrate a high level of respect for others".

I am very grateful to our staff team who have worked so incredibly hard to ensure that Allenbourn Middle School is a place where your children can flourish, and our school community deserves the recognition that this inspection report provides. I would like to thank you for your continued support for our school. It is only through strong partnership and collaboration that our school will continue to thrive and I look forward to working with families to achieve this.

Yours sincerely

Mr M. Legge
