Headteacher Update

Dear Parents/Carers

Well the Spring term was certainly action packed and exciting for everybody involved with Allenbourn Middle School. Having **started 2025 with such a fantastic Ofsted inspection outcome** the children have continued to work incredibly hard and enjoyed participating in a full range of extra curricular opportunities.

Throughout this Newsletter we will attempt to capture the terms successes whilst also providing you with updates and notices for the busy term ahead.

Staffing Update

I am delighted to report that **Miss Rushent will remain a part of our staff team as we move into the new academic year**, having secured a permanent role following the excellent start that she has made with us. In addition to this we were delighted to be able to hold **interviews for teaching posts for September in the week before the Easter break**. I am excited to share the news that **we have appointed Mrs Moscova as our new Music Lead**. Katyrn currently works in a local Secondary school and is very keen to further develop the musical life of our school. We were also able to appoint **Mr Lowrey who will join our Key Stage 2 team**. He has significant experience teaching primary age children and will be an asset to our teaching team. We said **farewell to Mrs Farrow from our admin team** at the end of last term as she took up a new post outside of education. I would like to thank Mrs Farrow for her excellent contribution at AMS and we all wish her all the very best for the future. We **also said farewell to Mrs Gregg as she stepped down from her role as vice chair on our Local School Committee**. Mrs Gregg contributed much to our school during her time on the committee and she will be missed by colleagues. We will be placing an **advert for our admin assistant role shortly**, please **contact the school**

office if you might be interested in further details. We will share details of our Local School Committee vacancy with families shortly.

Sports Days 2025

I am pleased to confirm that we will be hosting our **Sports Days on 10th and 11th July**. This year we will be **holding both of our Sports Days at Allenbourn Middle School**. **Parents will be able to join us in school for events on Friday 11th from 1pm** and further details of this event will be shared before the half term break.

Transfer Day 2025

A reminder that **Transfer Day** will be held on **Friday 27th June** this year. **Year 8 children will visit their Upper school** setting on this date, children in years 5, 6 and 7 will meet their new teacher during the day and we will look forward to **welcoming year 4 children to AMS** for their first day with us.

Uniform, attendance and punctuality

Please can I remind families that children are **not permitted to wear trainers or makeup** to school. **Skirts must also be of a suitable length** and no more than 2 or 3cm above the knee. Children are also **not permitted to wear trainer socks or branded sports socks**. The vast majority of our children look very smart each day and your support with this throughout the Summer months is very much appreciated.

Please can I also remind families of the **importance of maintaining good attendance** at school and to **arrive on time** each day. **The impact of poor attendance upon your child's education will be significant** and children **must establish strong attendance habits whilst at Middle School** to ensure further success with their studies as they move to Upper school.

Thank you for your continued support and partnership. I very much look forward to seeing you all this term..

Kind regards
Mr M. Legge - Headteacher

Our School Values - Apsire@AMS

Our school's values underpin much of the work that we do in school and we regularly discuss these with the children making **links to their learning journey with us at Allenbourn Middle**. Our aim is to focus upon the three key areas of: **Academic Excellence**, **All Inclusive** and **Responsible Individuals** as we **aspire together @ AMS**.

Special Recognition Award Winners - In our whole school assembly each week we identify a special recognition award winner. This award can be given to any member of our school community to recognise their achievements both within school in the wider community and within their area of expertise or special interest. If you know of somebody who deserves recognition please let us know.

Finley S - Year 8 - Finley has been chosen to represent England at the European Amputee Football Federation Camp which is being held in Romania in August

Harry L - Year 7 - Competed in the green vest of Dorset as he represented both the county and AMS at the Southwest Cross-Country Championships. Harry put in a fantastic effort, finishing in an impressive 11m 20s and placing 4th in the Dorset team.

Tabitha J - Year 5 - Courageous Advocacy - Tabitha had her hair cut to raise funds and resources for charity.

The pupils and staff who ensure that our school has been awarded a trophy as part of the Equal Access Schools award for our dedication and commitment to providing girls equal access in football.

Our Dance Live Team - LED Screen Regional Winners 2025

Jessica L - Year 6 - For her St John's Ambulance training and awards.

Year 8 French Pen Pals - For hosting 47 pupils from France as part of their visit to Dorset

Did you Know? **Parent View - Ofsted's Parent/Carer questionnaire** website received **156 responses during our inspection**. Your views were then used by inspectors to inform their judgements. You can view these responses using this link. [AMS Ofsted Parent View](#)

The Essential AMS Pupil Equipment List

Please ensure that your child attends school with the correct equipment each day. Below is a quick reminder of the items that they need for each day:

A handwriting pen with blue ink (including a spare), a pencil case, a pencil, a pencil sharpener, a clear plastic 30cm ruler, an eraser, a glue stick, a board pen, a set of colouring pencils, a purple, pink and green biro and a highlighter.

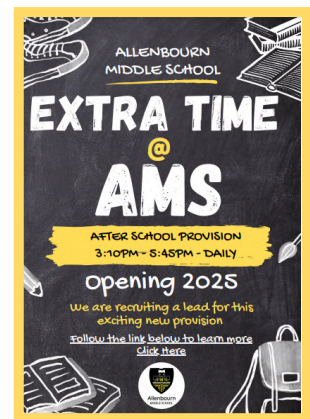

Remember your **child can purchase essential equipment packs** from the school office or via the ParentMail shop for £3.50

Extra Time @ AMS - Now Open

Extra-time @AMS is now up and running and it is great to see this additional provision being used by our families. Mrs Cross has established a fantastic programme of activities and we are keen to see more families making use of this provision in the coming months.

Extra-time@AMS runs between **3:10pm and 5:45pm**, Monday to Friday during term time, excluding training days. Children do not have to attend every evening and families may wish to attend for one or two evenings each week.

Each evening children will have the opportunity to complete homework and learning tasks whilst also attending other school clubs and interventions. Children will have a snack and drink break together at approximately 4:15pm. Children will then complete games and other activities until collection. This provision currently costs £7 per day.

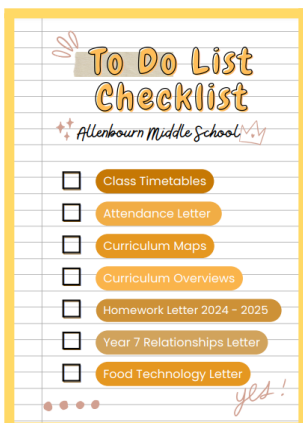

Places can be booked on ParentMail a week in advance or by contacting the school office.

AMS Sports Teams - Kit Sponsorship. Can you help?

We will be looking to renew our football and rugby kits for both the boys and girls and would like to offer the chance for parents with links to local companies to sponsor them. If this is of interest to you we would be very grateful. Please email Mr Legge:

mlegge@allenbournmiddle.org for more information.

In the News - A round-up of events from the Spring Term

Our Book Fair raised a fantastic £990.94. This means that we are able to spend £495.47, in the Scholastic online Shop. Mrs Jensen reports that this is by far our best result ever. Many thanks to all of the families who supported the book fair and we will look forward to sharing our new books with the children shortly. Many thanks to Mrs Jensen for arranging this event.

Yr 8 Netball Our Year 8 girls competed in the PEDSSA netball league at Parkstone. It has been fantastic to take 17 pupils each week and watch them enjoy playing in both the 'A' and 'B' leagues. Although our results haven't always reflected the energy and enthusiasm the girls put into their matches, Mrs Darragh has been really pleased to see their progress and passion for the game.

Year 5 Textiles Projects Year 5 have been making reusable bags in textiles and Miss Rushent is very proud of their work! They recently completed a project on plastic pollution and made the sea creatures from scrap fabric.

On Sunday 6th April Mr Ledsham and Mr Stroud ran the London Landmarks half marathon for charity with #Team Place2Be. Place2Be is the UK's leading school-based mental health charity, providing support to children, families and school-based staff when they need it most. You can still support Mr Stroud and Mr Ledsham, by visiting their JustGiving page:

<https://www.justgiving.com/page/adam-ollie-half-marathon>.

Peripatetic Showcase On Tuesday evening, over **30 pupils took part in our first Peripatetic Music Showcase** in front of a large but supportive audience.

The children treated us to an array of musical instruments and pieces, showcasing the amazing progress they have made learning their instruments under the guidance of their enthusiastic and dedicated peripatetic teachers.

We would like to **extend a huge thank you** to **Mr Jason Shearing** and **Ms Lauren Mackie** for pulling this wonderful event together and to **Mr Luke Selby**, **Ms Tamara Sullivan** and **Ms Elspeth Cole** for their support.

Enrichment Week 2025

Our Year 8 children enjoyed a **fantastic enrichment week** with **visits to The Houses of Parliament** where we **met our Local MP Vicki Slade in Westminster Palace** to discuss local issues and matters that were important to us. Children also **visited the Apollo Theatre to see Wicked**, went on the **London Eye** as well as visiting **Harry Potter World** and **Churchill's War Rooms**. Trips also went out from AMS each day including **RockReef**, **The Tank Museum** and **watching Hamilton** at the **Mayflower Theatre**. The children also completed **field studies** work in Wimborne.

Many **congratulations to Finley in Year 8** who has been **chosen to represent England** at the **European Amputee Football Federation Junior Camp** being held in Romania in August!

Year 6 - Key Stage 2 SATs Week All the very **best of luck to our Year 6 children** as they complete their Key Stage 2 SATs in the **week beginning 12th May**. The children will **finish this week with a visit to Marwell Zoo**. The Marwell visit will support their

non chronological writing ahead of writing assessments later this term.

Art @AMS Year 6 your Abby Diamond inspired paintings look fantastic! We look forward to seeing how you use this experimental style with their own insect drawings.

Year 5 have been using the grid method to draw their South American animals. We focused on tone and blending colours. They look fantastic! Well done Year 5!

Year 8 finished their 'Still Life' projects with a POP and a BANG! They have created bright and colourful Lichtenstein inspired outcomes.

Year 5 and 6 Tumbling Competition

What a fantastic afternoon we had at the PEDSSA Team Tumbling competition. Sixteen Year 5 and 6 pupils proudly represented AMS in this gymnastics event, performing a tumbling routine against other local schools.

Executing their routines in front of a panel of judges and an audience was undoubtedly nerve-wracking, but our young gymnasts demonstrated incredible courage and determination. It was wonderful to see their

confidence grow as they embraced the opportunity to showcase their skills.

We are delighted to announce that out of the three teams we entered, AMS came away with two bronze medals! A fantastic achievement, and one we are incredibly proud of.

Year 8 French Pen Pal Visit

Allenbourn Middle School was immensely proud to welcome a party of French pupils to school in March. **47 of Year 8's French pen pals visited us from Collège Félix Buhot.** We told **Steve Harris live on the BBC Radio Solent Dorset Breakfast** show all about the visit. Many thanks to Madame Diment for organising this event.

Sparx Science We are thrilled to announce that Allenbourn Middle School was named the Sparx Science School of the Month!

We are really proud of our pupils who have worked really hard, with our school achieving particularly strong completion rates in the first month of homework setting, reaching 92% in February. Furthermore, the completion rate remained above 90% throughout

February and the start rate was consistently above 95%.

World Book Day 2025

Children and staff had a fantastic day taking part in World Book Day activities. Well done to everybody who took part and wore an outfit inspired by a book that they enjoy.

Did You Know? More than 120 pupils from all year groups are busy preparing for our Performing Arts Showcase that is being held on 7th and 8th July at AMS.

In addition to this, a number of children will be joining forces with children from Emmanuel and St Michael's Middle Schools for our first ever combined concert.

This event will be held at Queen Elizabeth's School who have kindly offered to host this event on Thursday 3rd July.

Tickets for the event are priced at £5 each and are available via the link on our school websites.

We are excited to give pupils the chance to come together in a large group and work together to put on what will be an unmissable event. We hope to see you there.

Behaviour Expectations @AMS

We continue to **teach our children how to conduct themselves** as they **grow to be articulate and responsible young people**. We value our partnership with home and all of **our families' support to ensure that we work together to reinforce our behaviour expectations**. This will ensure that our school is the very best environment for our children to learn and grow in. Please take time to **review these expectations with your child** from time to time. **A link to our behaviour procedures is available below** (and on our school website) for you to review together.

Allendale Car Park Improvement Scheme - Update

Following a recent update meeting at the Local Authority about this scheme. We can confirm that engineers have been working at capacity and this has resulted in our project being delayed. The engineers are now working on the detailed design and are close to finishing. The scheme is in the queue still and we are just waiting for the construction team to find a slot in the timetable. We now believe that Autumn 2025 is the most likely for the work. We have been assured that the funding has been put aside, and the LA are dedicated to getting the scheme implemented.

IMPORTANT - Whilst we are waiting for the completion of this work please can parents ensure that they **drive with real care** when using the Allendale car park. Please ensure that you drive at an appropriate speed and use this car park appropriately at all times. All families have an important role to play to safeguard our children.

Pupil Safety and conduct in our community

We regularly talk with the children about the importance of travelling to and from school safely. Please discuss the following with your children regularly to ensure their safety.

- **Behaviour should be of a high standard at all times.**
- Pupils should not use mobile phones whilst walking to school, particularly when crossing roads.
- Pupils must remain on pavements at all times and walk with care and consideration for others.
- Pupils using scooters or bikes should take care around other road users and those on pavements.
- **Helmets should be worn on bicycles and scooters.**

Headteacher: Mr M. Legge BEd (Hons) NPQH
Deputy Headteacher: Mr L. Smith BA (Hons)

IMPORTANT: Please ensure that **children do not bring nut or sesame seed based products into school.** Please also ensure that **children have a healthy snack** for break time each day and remind them of the **importance of reducing packaging and keeping our school tidy.**

Communication with Home - Don't forget to sign up for the Arbor App

We continue to work hard to develop strong links with our families ensuring that you receive regular and timely information about school life.

Thank you for signing up to the Arbor App ahead of us making greater use of this over the coming months. Currently more than 81% of families have signed up. If you have not completed this process yet please email the school office.

You can also follow news of our children's successes by following us on **X and Facebook pages, please do consider following our school.** Our website also contains a lot of useful information and news for our families.

Attendance Matters and reporting your child's absence

[Allenbourn Middle School - Website Attendance page](#)

Our whole school attendance figures continue to improve steadily and **pupils' attendance at Allenbourn Middle is above the National averages.** Thank you to all of our families for your ongoing support. We remain **keen to improve further.** It is **vitaly important that children are in school** as often as possible.

We ask for your support ensuring that your child attends school everyday unless there is a very clear reason for absence. Please review the link on our school website on how to report your child's absence.

What Parents & Educators Need to Know about Roblox - Please find below a link to useful guides for parents and staff in schools on the safe use of online platforms produced by the national College for education. [national College Online guides](#)

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about ROBLOX

Roblox is one of the most popular video games among children. In 2020, the game's developers claimed that more than half of the USA's children had played it. As a 'sandbox' title, the game lets players create their own gaming experiences with Roblox Studio to build custom levels, which can then be shared online.

AGE RESTRICTION PEGI 7

WHAT ARE THE RISKS?

ONLINE PLAY RISKS
 Because Roblox connects random players across the world, it can put younger players into an environment with anonymous users who could use the platform for nefarious reasons. For example, some role-play games are used for online dates and mature role play, which could expose youngsters to inappropriate messages in the public chat box.

ANONYMOUS PLAYERS
 The anonymity of users can leave players vulnerable to bullying, harassment, and predatory behaviour. Without the right parental controls or monitoring, users can connect with each other via personal messages or friend requests, and it is very difficult to know who's behind a username in this vast online world.

MATURE CONTENT
 Content is difficult to moderate throughout Roblox, due to the number of games available. This is particularly notable on smaller games and experiences, but in summary, some of the games and experiences offered on the platform contain age-inappropriate content that could easily be seen by young players.

RISK OF ADDICTION
 Roblox games can feature rewarding or satisfying mechanics that keep players coming back - or persuade them to stay logged-in for much longer. Like most games, they focus on interactivity, with constant rewards via in-game unlocks and currencies, which can sometimes lead to an addictive need to remain online for long periods of time.

IN-GAME SPENDING
 The majority of games within Roblox have extensive monetisation options, usually through season passes or microtransactions. Purchases can range in value from a few pennies up to much larger sums of money. While some games offer a lot of content via purchases, others can offer very little for real world money, causing younger players to end up out of pocket.

SCAMS
 Many of the games on Roblox feature collectible items, pets, or characters. These objects, while digital, are worth a lot of real money on certain online markets. Scammers will attempt to trade with younger users in the hopes of getting rare items that can be sold for real money, manipulating the child into handing them over, usually via misleading information.

Advice for Parents & Educators

MONITOR THE CONTENT
 While Roblox does implement plenty of moderation tools and parental controls, it's up to parents and guardians to monitor the types of games a child or impressionable player is experiencing. If a youngster wants to play Roblox, be sure to check out which specific games they want to play within it, and get a good idea of their content.

PLAY TOGETHER
 Consider playing Roblox with the children in your care. There are few more effective ways to see how monetisation works, gauge whether the game could lead to addictive behaviours, or even witness how interaction between players works, than sitting down and trying the game for yourself. This should help you figure out whether it's suitable for particular children.

TAKE ADVANTAGE OF TOOLS
 Use the parental controls within the game itself and teach youngsters how to report and block other players. Knowing the powers within their reach will make Roblox a safer, happier experience. You can set age ranges for who's allowed to contact you, close public chat boxes, block spending, and even make your Roblox profile completely private. All these options are helpful in cutting off bad actors from engaging with children.

TEACH ONLINE BEHAVIOURS
 Have an open conversation about the risks of online play and how to spend money wisely. By being honest and giving tips on how a younger user can protect themselves, you can empower them to not only take care of themselves, but others too. Any user can be reported to Roblox moderators by other players for behaving inappropriately. With this knowledge, younger players can be aware of what to look for and help prevent it.

Meet Our Expert
 Dan Lipscombe is a videogame journalist and author of over 20 books on gaming, including books on Minecraft, Fortnite, Roblox, and more. For 15 years he has been writing about his passion for gaming. When he's not playing games, he's talking about them at GAMINGBible.

Carer session:
'An
Introduction to
Autism'**

What is the session about?

The session was co-developed with parents of autistic children, a SENCo, Dorset Parent Carer Council and Specialist Teachers and Educational Psychologists from Dorset Council.

It will help you to:

- Understand what autism is and the impact it can have on children/young people
- Learn some practical strategies to support an autistic child/young person

Please note, this is a general information session so we won't be able to discuss individual children.

The session will be delivered by either an Educational Psychologist or a Specialist Teacher from Dorset Council

Who can attend?

Any parents / carers who:

- Have an autistic child
- Have a child undergoing an assessment for autism
- Are interested in learning more about autism
