24th June 2025

Dear Parents/Carers

**Year 8 Bournemouth University Visit: Monday 7th July 2025**

On Monday 7th July 2025 all year 8 students will be visiting Bournemouth University as part of our programme of raising aspiration and building career awareness. The visit will include a tour of the campus, a talk from BU staff, the opportunity to speak to current students studying at Bournemouth University about university life in general along with completion of a robotics workshop.

The visit will last approximately 2 hours and will take place during school time. Your child will be transported to and from Bournemouth University via coach. There is no cost involved for this visit.

Full school uniform must be worn and they will need to bring a packed lunch. Children in receipt of free school meals will have a packed lunch provided. As the university has limited their visitor group size to 65 students, in order to ensure that every student in Year 8 gets to visit the university, we will be running two trips in total; one in the morning and one in the afternoon. We fully intend for children to be back by the end of the normal school day, but this will be dependent on traffic conditions.

Please click on the following [link](#) to complete the permission form. Please respond by Monday 30th June 2025.

Please do not hesitate to contact your child's tutor if you have any questions.

Yours sincerely

Mr M Pressling
